Dear Valued Customer

**[Request]Correct cargo data submission for Advanced Cargo Information**  
**for the U.S and Canada**

We thank you for your continued support to JAL CARGO.

There are cases where the cargo data received from the customer at the origin airport does not meet the requirements required by the customs of the destination, and it causes delays in cargo transportation and delivery.

In order to strengthen our compliance with the Advanced Cargo Information program, please kindly refer to below for specific procedure.

We appreciate your understanding and cooperation.

1. **Accurate input of consignee information for Canada bound shipments**

1 State Code

No comma (,) and period (.) and 2 letters of alphabets can only be inputted.

Correct example: BC

Wrong example: B.C. (With comma)

B C (With extra space)

(Blank, No entry))

AA (Invalid State Code)
